**Acadia - New Scotland Contester of the Year Award**

The Maritime Contest Club is pleased to announce a new awards program for amateurs located in the Maritime Provinces of Canada. The first recipients of the awards will be announced in late 2011 for the period of January 1, 2010 to December 31, 2010.

The goal of these new awards is to encourage participation and achievement in the Sport of Radio Contesting among Radio Amateur Stations in the Maritimes.

A more detailed document, containing information relating to contest eligibility, scoring and category weighting is attached.

Results for 2009 are in the process of being tabulated and will soon be available on the MCC website so people can get an idea of how it will work.
